**There is nothing too hard for our God!**

Truly we are living in a time such as we have never experienced before, but this is not a time to succumb to fear and doubt. This is not the time for selfish, ungrateful or hostile attitudes. This is an opportunity to stand firm in our faith and share the love of Christ and the awesomeness of our God. This Coronavirus pandemic has people clearing the grocery store shelves trying to protect themselves and love ones in physical ways, which is understandable. But we must not forget the spiritual realm of this battle or we will surely be unbalanced and ill equipped. Prayer and the word of God is our strongest weapons and Jesus encourages us to use it.

In Philippians 4:6-7 he instructs us to not be anxious about anything, but in every situation, by prayer and petition, with thanksgiving, present your requests to God. <sup>7</sup> And the peace of God, which transcends all understanding, will guard your hearts and your minds in Christ Jesus.

God calls us to prayer in 2 Chronicles 7:14 If my people, which are called by my name, shall humble themselves, and pray, and seek my face, and turn from their wicked ways; then will I hear from heaven, and will forgive their sin, and will heal their land.

I ask can we not watch and pray for one hour or even a half hour in such a time as this. It really will make a difference. Remember God was willing to spare Sodom for the sake of just ten righteous being found there. (Gen.18:32) Let the people of God arise and intercede like Abraham, Moses and Jesus himself that God would have mercy and dry up this Coronavirus everywhere.

Please join me and many others from right where you are, for as much time as you can during this 3 days of fasting and praying. Starting 12:01am Monday March 30<sup>th</sup> thru Wed.
